This history of *The Paynter Family of Warren County, NC* was collected and published in 2020 by Lois Paynter Powers and her husband Harvey W. Powers.

We intentionally use the verb “collected” rather than “authored” because we are indebted to the many members of the family who’ve answered question after question. Thank you!

We did our best but we are dependent on others' memories and we are sure we added our own mistakes.

We also know there are many names and dates we've missed. Something like this is never "done." There is always one more name; one more date; one more photo. We just have to pick a date and publish what we have at that point.

As long as we're able, we will continue to update the database on which this book relies once a year. And we'll place that information at <http://www.harveypowers.com/genealogy>

The Paynter Family

The Paynter (Old English: Peintour) name can be traced far back in the history of the Saxon people. It originated in Cornwall, a rugged peninsula in southwestern England. Its origin was an occupational title for a painter of stained glass.

The name emerged as an influential one in the county of Cornwall, where the family is recorded as one of great antiquity, seated as Lords of the manor of Lithney and estates in that shire. They also acquired the lands of Deverell in neighboring Gwinear and also Trelissick in the parish of St. Erth.

One early Paynter was William de Camborne. He killed William Paynter in a duel. He then took the name William Camborne Alias Paynter. He also took William Paynter's wife!! He was a wealthy man and was granted a Coat of Arms on 22 July 1569.

Our Paynter Line...Maybe

Researcher Milton Atkins has traced our line to John Paynter (b. 1788-1790) and believes he can connect him back to a family that originated in England and who immigrated to Warren County, North Carolina, by way of Barbados and Sussex County, Virginia.

If Mr. Atkins is correct, this line traces back to William Paynter (b. about 1532) who was the "Clarke of ye Ordynance and Armory" of London. Sometime before 1560 he was knighted and made Sir William Paynter.

His son, Robert Paynter (born about 1578) and his wife sailed from England to Barbados about 1630 where he became a merchant.

Shortly after he arrives, there was a church dispute in the Southampton Parish over where different women were to be seated. Robert Paynter was appointed to reassign the women's seats with Mrs. Paynter to have first choice.

His son, William Paynter (b. about 1620) was born in Norfolk County, England, before his parents sailed for Barbados. He is shown on the passenger list with them.

His will was dated 24 Aug 1666 and was probated on 27 Sep 1666 in Barbados. In it, he leaves "all lands and houses in St. Michael's Town, by the stepping stones"...to his wife Elizabeth (Newsom).

William and Elizabeth's son Richard (b. about 1665) and his wife Elizabeth (Benson) leave Barbados for Virginia soon after 1690. We believe their son, John Paynter is born in Sussex County, Virginia about 1700.

There are several generations between that John Paynter in Sussex and John Paynter (b. around 1788 to 1790 in Sussex County) who, with his wife Frances McClannahan, bring the Paynter name to Warren County, North Carolina.

We should note the above line, tracing John Paynter of Warren County back to William Paynter in England, is not proven. We are, however, persuaded this John Paynter is the father of Thomas Paynter (1828-1888). Thomas was born, married and died in Warren County.

The Paynter Family in Warren County

We begin the genealogy section that follows with John Paynter who was born in Sussex County, VA; married in Princess Anne County, VA; and died in Warren County, NC. He is the start of the *"Paynters of Warren County."*

John's sons are Thomas and Andrew. There may have been other children but the evidence for them is sketchy at best.

Andrew moves to Palmer Springs in Mecklenburg County, Virginia. With his wife, Robena (Watkins), he begins a line of Paynter family in southern Virginia.

As we noted, Thomas Paynter stays in Warren County. His record in the Civil War shows him from Warren County. His wife is from there. All his children appear to have been born there. He is shown in Warren County in 30 years of the census. For generations hundreds the Paynter family call Warren County home.

Many of those Paynters lived in an area just north of the town of Wise. Among locals, the area is known as "Paynter-town." There are Paynter families there now (2020).

Many members of the Paynter family are buried in the cemetery about a half-mile east of Wise Baptist Church.

The Paynters have numerous connections to the Warren County families of King, Paschall, Young, Rivers, Ellington, Thompson, Mustain and Atkins.

First Generation

1. **John Paynter Jr.** was born about 1788–1790 in Sussex County, VA. Some researchers offer the possibility of three additional sons: Edward, Joseph and John. However, there is no primary evidence.

John Paynter Jr. and Frances R. McClannahan were married on 13 Aug 1812 in Princes Ann County, VA. **Frances R. McClannahan** was born about 1792 in Princess Anne County, Virginia.

John Paynter and Frances R. McClannahan had the following children:

- +2 i. **Thomas P. Paynter**, born 1828, North Carolina; married Frances Elizabeth Ellington, 12 Sep 1857, Warren County, North Carolina; died 1888.
- +3 ii. **Andrew Jackson Paynter**, born abt 1848, North Carolina; married Robena Agnes Watkins; died 5 Sep 1914, Palmer Springs, Mecklenburg County, VA.

Second Generation

2. **Thomas P. Paynter** (John-1) was born in 1828 in North Carolina. He died in 1888 at the age of 60.

We cannot find conclusive documentation of Thomas Paynter's parents. We are pretty sure he is the son of John Paynter. But which John?

Several researchers on Ancestry.com show him as the son of John Paynter and Mary Ann Saunders Paynter. However, that John Paynter is shown as born in England and dying in Canada. While possible, it doesn't seem likely.

Other researchers show Thomas as the son of John and Frances McClannahan Paynter and the brother of Andrew Jackson Paynter. We believe this is the most likely ancestry.

Thomas Painter (sic) is shown in the census of 1860, 1870, and 1880 living in Warren County, North Carolina. In 1870 and 1880 in the Smith Creek District. In 1860 and 1880 his is shown as having been born in North Carolina. In 1870, he is shown as born in Virginia.

We should note that the Smith Creek area of Warren County, NC is adjacent to Mecklenburg County, Virginia. For the most part, the two states are separated by the Roanoke River. However, there are portions on the south side of the river that extend up into Virginia. A history of the area shows many people saw the river as the border (there were no bridges, only a ferry) with the result that some parts of Virginia acted as if they were part of North Carolina.

These three census also provide doubt about Thomas Paynter's date of birth. In 1860 (shown as age 24) he would have been born in 1836. In the 1870 census, he is shown as age 42 with a birth year of 1828. In 1880 at age 51, the birth years is 1829.

In the census of 1860 (conducted July 1, 1860) , T. Painter (sic) is shown as age 24, a farmer who could not write, in a home with F. Painter, age 24 (presumably his wife Frances) a daughter R. Painter, age 2 (presumably daughter Rosa; however this would make her birth in 1858 (and not 1860 as some research shows) and a male W. Painter who is 4 months old. This W. Painter does not match any of the children we have listed and he was not in the 1870 census. We believe he is a child who probably died between 1860 and 1870.

We believe 1858 is probably the correct birth date for Rosa even though 11 Jul 1860 is shown for her is given in almost all other documentation (and what we will show here). If that were correct, she would have been only 10 days old for the 1860 census. That's pretty hard to mistake for two years old. If she were born 11 Jul 1858, she would have been born 10 months after he parents were born. Perhaps someone thought that was too soon.

The 1860 census also shows a Fanny Rivers, female, age 85, in the home. Since Thomas Paynter's mother-in-law is a Rivers (but who would only be 45 in 1860), we assume this is his grandmother-in-law. Fanny Rivers is the only one in the home shown owning real-estate.

In the 1870 census (done 10 Jul 1870 of the Smith Creek District in Warren County) , Thomas (listed as a farm laborer who cannot read or write) and Frances are shown with children Rosa, 12; John, 9; Sarah, 6; Emma, 4; Delia, 2; and Rebecca, 6 months. Also in the home is Lockchurch Williams, age 21, shown as a teacher.

We are told Thomas died before his wife Francis and left her with several young children. She was apparently without the resources to raise the family and had to send the children to different people to raise. One result was that Adelia (Della) was reportedly raised by her older sister, Rosa Jane Paynter (King).

Thomas is shown as a Warren County farmer who enlisted in Company B, 30th Regiment, North Carolina Troops (the Confederate Army) 16 Jun 1861 at age 24.

This Thomas P. Paynter is listed as present or accounted for until discharged on 14 Jan 1862, by reason of "a wound received on the scalp about five years ago" as a civilian.

He re-enlisted in the same company on 16 Jul 1863. Records show him detailed as a shoemaker "by order of Gen. Lee" (17 Sep 1863); absent on detail (Aug 1864); hospitalized at Richmond 24 Feb 1865 with what was described as "nostalgia."

This Thomas Paynter was apparently still in the hospital in Richmond when the city fell (3 Apr 1865). He is listed as paroled there about 21 April 1865.

Thomas P. Paynter and Frances Elizabeth Ellington were married on 12 Sep 1857 in Warren County, North Carolina. **Frances Elizabeth Ellington**, daughter of John Thomas Ellington and Elizabeth "Betsy" Rivers, was born on 27 Feb 1831 in Warren County, North Carolina. She died on 16 Jun 1915 at the age of 84 in Henderson, Vance County, North Carolina.

Thomas P. Paynter and Frances Elizabeth Ellington had the following children:

 - +7 iv. **Emma Paynter**, born 22 Feb 1867, Warren County, NC; married James William Mustain, 18 Jan 1888, Warren County, North Carolina; died 23 Mar 1945, Richmond, Virginia.
 - +8 v. **Adelia Jacksom "Delia" Paynter**, born 24 Dec 1869, Warren County, North Carolina; married Joseph Henry Atkins, 18 Jan 1888, Mecklenburg Co., VA; died 13 Aug 1954, Richmond, VA.
 - 9 vi. **Rebecca Paynter**¹⁻² was born in Jan 1870.
 She is shown in the 1870 census in the Thomas Paynter household as 6 months old with a birth month of January. In the census of 1880, when she would have been 10 or 11, she is no longer in the household.
 While I can find no record of her death, it seems likely she died between 1870 and 1880. There are records for all her siblings but we know little else about her.
 - +10 vii. **Lou Anna "Luanna" Paynter**, born 25 Apr 1871, Warren County, NC; married Elisha Woody Thompson, 31 Jan 1892, Warren County, North Carolina; died 21 Dec 1950, Henderson, Vance County, North Carolina.
 - +11 viii. **Robert Lee "Buddy" Paynter**, born 4 Jun 1876, Warren County, North Carolina; married Daisy Rebecca Young, 19 Sep 1899; died 29 May 1946, Smith Creek, Warren County, NC.

3. **Andrew Jackson Paynter** (John-1) was born about 1848 in North Carolina. He died on 5 Sep 1914 at the age of 66 in Palmer Springs, Mecklenburg County, VA. He was buried at Bathesda Baptist Church Cemetery in Boydton, Mecklenburg County, VA.

Andrew Jackson Paynter and Robena Agnes Watkins were married. **Robena Agnes Watkins** was born on 21 Jul 1855 in Warren County, NC. She died on 30 Apr 1899 at the age of 43. She was buried at Bethesda Baptist Church Cemetery in Boydton, Mecklenburg, Virginia.

5. **John Thomas "Johnny" Paynter** (Thomas P.-2, John-1) was born on 18 Oct 1861 in North Carolina.⁴ He died on 1 Mar 1935 at the age of 73 in Hawtree, Warren, North Carolina.⁴ He was buried in Wise, Warren County, North Carolina, United States of America.⁴

According to his obituary, John Thomas Paynter had seven children. Six were still alive at his death. The six named here are named in his will. We do not know the name of the seventh child. (dtd 20 Feb 1929 and probated 4 Mar 1935) (Warren County Will Book 55, p. 70.).

The will explains that John Thomas Paynter had already given some land to Maynard and that the rest of his 145 acres was to be divided among the five remaining children after both he and Cathrine had passed.

John Thomas "Johnny" Paynter and Catherine Jane "Kate" King were married on 18 Feb 1887 in Warren County, North Carolina. **Catherine Jane "Kate" King**, daughter of Armistead G. King and Lucy Ann Hicks, was born on 5 Dec 1866 in Warren, North Carolina, United States.

There are records showing a Sarah Painter and Susan Elizabeth Painter as children of Thomas and Frances Painter. Both are shown as born about 1874. Sarah Paynter is shown in the 1870 census in the Thomas Paynter household as 6 years old.

In the census of 1880, when she would have been 16, she is no longer in the household.

Since Susan Elizabeth is NOT shown in the household in the 1870 census, and is in the 1880 census, I believe she and Sarah are the same person. Their ages suggest they were born in the same year.

Susan Elizabeth Paynter and Daniel Lewis Adams were married on 14 Apr 1886 in Warren County, NC. **Daniel Lewis Adams**, son of Robert Lewis Adams and Julia Young Graves, was born on 12 Oct 1864 in Warren County, NC. He died on 8 Dec 1912 at the age of 48 in Warren County, North Carolina.

- 63 i. **Davis King** was born about 1910.
The 1920 Federal census shows a Davis King in the Armstead & Sarah King household as "age 10." At that time, the family was living in the Totaro District of Brunswick County, Virginia. A birth day of 1910 would have been before Armstead's second marriage but before the first wife died. Is it possible he is another child of the first wife? We know little else about him.

She died on 21 Sep 1981 at the age of 93 at Hundley Annex, CMH in South Hill, Mecklenburg County, Virginia. Willie King is something of a challenge. Several records show her as a female, born 1885, and wife of Oscar King. There is a death certificate with that information. That is the record on her grave. This is what we show here.

However, a number of the records indicate a sister, Mattie King, which seem to actually be records for Willie King. we believe that these two are actually the same person as most of the records show the same birth/death

dates.

The 1940 census shows a Mattie M. King in Palmer Springs, VA, with a husband Oscar C. King. But that's Willie King's husband. And if you examine the way Mattie is written is actually looks more like "Willie".
